

The Warren Band Boosters are conducting a Longaberger Basket Bingo on April 1, 2006 at the Warren High School to raise funds for our High School Band. We are seeking local businesses and individuals that may be interested in helping to defray the costs of the bingo by contributing cash to help pay for the event. We can post the sponsors' names for advertising purposes or keep the donation anonymous depending on your desires.

The Marching Warriors have had an extremely successful season this year entertaining at the football games, marching in local parades, winning numerous competitions and receiving a superior rating in the state finals held in Columbus. The concert band, jazz, percussion, woodwind ensembles, pep band and winter guard are currently performing for events and competitions during the winter and spring seasons.

Unfortunately our success does not come with out costs. Uniforms, accessories, music, transportation, meal expenses, entry fees, and equipment maintenance total up to a significant sum. Although the band is sponsored through the school board, the Warren Band Boosters are responsible for the majority of these costs. Transportation to the events alone costs several thousand dollars a year. Each band member pays an annual fee which helps to defray the costs, but the boosters' sponsored events are the main contributors to the effort.

We are counting on the support of the community to help with this worthy cause.

Please keep this copy as your receipt for tax purposes.

**Thank you!**
